2020: Our Journey to The Dish

About our Program

- Led with mobile app
- First focus was on adoption
- Launched with annual total company video message
- Maintained our longstanding philosophy of a central portal for employees

science of engagement:
it's necessary to connect
what's personal and what's practical.

Access to the essentials

Deliver tools/resources employees need most (daily, weekly)

What started as a necessary tool for us to keep employees informed, created an opportunity to bring our values to life in a new way.

Standing Together, Even Miles Apart

May prayers, peace and Love of the surrounding communities is heartfelt during this difficult time in all of our lives. Coming from Woodmore Lanham, Maryland To Buffalo, New York.  

#BuffaLOVE

Sending our thoughts, prayers, and wishes for peace, healing, and comfort to the entire Buffalo Community, especially all those that were impacted by the loss of a loved one. We are here for you even though we are miles apart and we hope that you feel and know that your entire Wegmans Family, especially those of us that call Buffalo home, are always willing to listen and be a part of your healing process. We know that our city and surrounding communities are strong and resilient, even in the face of such a terrible act of racism and unnecessary violence, so let our BuffaLOVE shine through and prove that we are stronger than the hate and racism that caused this unspeakable and devastating act. We love you and please take care of yourselves and each other as we always do in our city!
